Application Terms and Conditions

All statements or invoices sent to you are payable upon receipt. Interest of 1.5% per month (18% annum) is charged on balances unpaid after thirty (30) days. You agree to be liable to us for the costs of collecting unpaid balances or debts, including reasonable attorney’s fees (if applicable) and court costs, expended in the collection of the account balance.

Application shall expire one year from the date of the initial inspection. American Inspection Agency, Inc. (Hereinafter AIA) shall be contacted by applicant as to the readiness of all inspections. All fees as finally determined by (AIA) shall be paid in full to (AIA) or all approvals and certifications as per this agreement shall be null and void and (AIA) shall bear no responsibility, express or implied, for the completion of such inspection or any condition which was or could have been disclosed by such installation to which this agreement applies

Final inspection and/or approval may be required by law before electrical current may be introduced by occupants. Upon expiration of one (1) year from the date of the initial inspection, all duties and obligations owed by AIA shall be deemed completed. No further inspections shall be undertaken by AIA without the applicant completing a new application for inspection and payment of all relevant inspection fees. No final certification shall be implied or inferred without issuance of a duly executed certificate by (AIA). When issued, the certificate applies to the electrical wiring to the electrical equipment listed on certificate and/or application along with the installation inspected as of the noted date based on visual inspection. No warranty is expressed or implied as to the mechanical safety. The certificate shall be valid for a period of one (1) year from the date noted on certificate. All returned checks will incur a \$35.00 penalty fee.

AIA, in accepting this application for inspection does not assume responsibility for unavoidable delays in inspection.
