

# 2020

---

## Continuing Education

Make plans now to attend one of our 2020 NEC Code seminars. Choose a date and location convenient to your schedule. All presentations are computerized with colorful LCD projection. All 2020 NEC Code seminars are approved for the State of Delaware, Maryland, Pennsylvania and Virginia. Please verify acceptance with any county or borough that you may deal with specifically. Please call or view our website for more information and CEU information. A continental breakfast will be served at each seminar. Please visit our website to view other courses and for course approval recognition. Certificates will be issued at the completion of the seminar.

Comfortable seating/relaxed atmosphere  
Enroll now – seats are limited.

Course presentations will be given by either Ray Pietschmann, Frank Gaworski, and/or Phil Cannon. All instructors are nationally certified electrical inspectors as well as master electricians.

American & Penn State Inspection Agencies are recognized as outstanding inspection agencies with very informative continuing education seminars serving DE, MD, PA and VA.

American Inspection Agency, Inc.  
30555 West Beach Road  
Dagsboro, DE 19939

## American Inspection Agency, Inc.

Knowledge is the key to success. Continuing education is the backbone of the ever-changing electrical industry. Don't look at continuing education as an inconvenience. Take this opportunity to expand your knowledge and learn the reasons behind these changes. One of the main differences between an average electrician and an outstanding electrician is knowledge.

American Inspection Agency, Inc. and Penn State Inspection Agency provide electrical inspections and continuing education for safe-guarding of persons and property.
